# THE 1964 TIGER

## ALMA MATER

*O Ninth Avenue we shall love thee  
As the years go by  
Alma Mater none above thee  
On us you can rely.*

*As the days shall pass before us,  
Here our minds shall be.  
As the blue and gold wave o'er us  
Ninth Avenue we hail thee.*

*Alma Mater we shall never  
Fail to do our part.  
Memories of you shall ever  
Linger in our hearts.*

*Old Ninth Avenue, Old Ninth Avenue  
To you we will be true;  
In our hearts you'll live forever;  
You have brought us through.*

Ninth  
Avenue  
School

Hendersonville,  
North  
Carolina

This issue of the *TIGER* is respectfully and affectionately dedicated to the Teachers of Ninth Avenue School. Without their energetic efforts and guidance many of our hopes and dreams would have never become realities. Always alert to any problem confronting students and their welfare, our teachers not only exemplify the highest efficiency in their chosen field, but they have always exhibited genuine warmth and humane concern to each student of Ninth Avenue School. These pleasant memories we shall cherish forever.

To you, Dear Teachers, in sincere appreciation and deep affection, we dedicate this 1964 *TIGER*.

## SPECIAL EDUCATION

# O R G A N I Z A T I O N S

Extracurricular activities round out the education given us at Ninth Avenue. These activities afford opportunities for initiative, self-expression, and leadership. We students learn to work cooperatively and to assume responsibility thus preparing us for our after school life.

Through the student activity program, the school hopes to train us teenagers to discriminate in our choice of recreation so that in later life we will select social activities in keeping with our principles. These school sponsored functions are not only a wholesome use of leisure time, but the enjoyment that accompanies them will always remain treasured memories of our school life at Ninth Avenue.

Each year we call upon our advertisers to help us make *THE TIGER* possible, and each year we find them ready to help us. To these benefactors we are deeply greatful and hope they will continue their loyalty and support.

Our patrons and boosters also come forward yearly and help us considerably. They, too, deserve our appreciation.

Curry's Studio, and our local photographers, always cooperative and helpful, ease the production of *THE TIGER* since no matter when, where, or how, if a picture is needed they are there ready to oblige. Many thanks to our photographers.

State Street, Chicago — with G. E. Outdoor Lighting Systems  
Derives Many Benefits as "World's Brightest Street" at Night

The world's brightest street at night is Chicago's State Street ... lighted with fluorescent luminaires designed and produced at the "Outdoor Lighting Center of the World," General Electric's headquarters for its outdoor lighting business located at Hendersonville, North Carolina.

The illustration above shows the shopping district of State Street. Here, close to 399 top-quality General Electric Form 606 luminaires, mounted on specially designed "tree like" poles provide 14 footcandles of illumination!, a truly outstanding installation.

Cities throughout America, including small and larger communities in Western North Carolina, are today "lighting up." This offers many benefits to all citizens. Lighting is credited with lowering crime and highway deaths of all sorts ... with improving safety, and even business.

**GENERAL ELECTRIC** is looking for people who are truly prepared for the wide variety of assignments available in the electrical industry. If you would like to explore the possibility of a career with General Electric, contact J. W. Waters, OX 2-1431.

Good lighting is an attribute of progressive communities. You, as tomorrow's citizens, will want to make sure that good lighting makes your streets and highways — your ballparks and stadiums useful at night ... safe and enjoyable for all.
